

Amy's FarmShare Steer Share

Here is an example of a payment schedule and a cost breakdown of a steer at the average carcass weight of 800 pounds. Please be aware that this is just an average weight. Steers can range in size from 750-850 pounds depending on growth rate and your actual cost will reflect that number.

Start of Contract	- \$ 850	- Deposit due
Month 3	- \$ 650	- Payment #1 due
Month 6	- \$ 650	- Payment #2 due
Month 9	- \$ 650	- Payment #3 due
End of Contract (est.)	- \$ 400	- Final Payment based on final carcass weight 800 lbs. x \$4.00/lb. less \$2800 prepaid
Due with final pmt.	- \$ 100	- Butcher Fee
Food Locker(estimate)-	\$ 632	- Cutting and Wrapping Fee 800 lbs. x \$.79/lb (current price, subject to change)
	- \$3932	- Total cost for an 800 lb. carcass

All checks for feed and care must be made out to Amy's FarmShare.

Finally, most of our steer share members split their share with family or friends. We are happy to accommodate your needs and will split your billing as such. For questions, please contact us at farmshare@amysfarm.com or call Randy at (909) 973-4539.

Contract

I hereby commission Amy's FarmShare to purchase on my behalf one Angus steer calf. I further commission Amy's FarmShare to feed and care for aforementioned steer calf according to sound and humane animal husbandry practices, which practices shall include the promise by Amy's FarmShare to feed no antibiotics nor use any growth stimulating hormones. I finally agree to pay all billings for feed and care within 10 days of receipt of said billing unless otherwise arranged for prior to each stated billing date. I acknowledge that this signed contract is null and void unless accompanied by a \$850.00 deposit check and further accompanied by feed and care payments according to stated terms. Upon nullification of this contract, all monies paid are non-refundable. In case of hardship, I understand that I may sell my share and transfer my contract to a new party.
